VAHA Adult Hockey Policy

VAHA offers adult open hockey for men, women and co-ed. Participants must be at least 18 years old and not a current HS player.

VAHA asks that children under 12 years not be left unsupervised at the Arena during adult hockey. Participants in adult hockey cannot play and supervise at the same time.

All adult players must complete and sign a waiver of liability (one per year).

All adult players must sign in and pay the required fee before entering the ice.

Adult players are expected to respect the Arena and dispose of any garbage generated by them.

All adult players are required to wear protective equipment (helmet, shin pads, elbow pads and gloves minimum).

Adult players are expected to maintain self-control and show sportsmanship.

Instigating fighting and/or fighting is not allowed and will result in players asked to leave.

Adult players must conduct their play at a speed and in a manner to maintain control of their body and stick and in a manner that has the safety of other players as a priority. Skate with the flow and maintain at least one stick length gap to others as a rule.

Hooking, slashing, tripping, holding, grabbing, charging, checking, poke checking into skates and intentional body contact to impede others are not allowed. Retaliation is not allowed.

Shooting the puck above the waist into the vicinity of non-goalie players is not allowed.

Complaints of policy violations may result in a warning and/or revocation of playing privileges.

I have read and agree to adhere to the above policy.
